NOTICE

All students are hereby informed that the dates for odd semester class tests / internal examinations mentioned in the Academic Calendar for the session 2023-2024 are tentative and are subject to change, if required.

The Academic Council of the Institute had to take a relook at the class tests / internal examinations dates because of the following reasons – firstly, classes for the current session started late; secondly, Jadavpur University effected certain changes in the Academic Calendar which had to be incorporated; and lastly, some subjects need to be assigned to academic resources. Under such circumstances, the class tests / internal examinations will now begin from 10th October and continue till 19th October 2023, both dates falling within the active session itself.
